## Bringing Immunity to Every Community!

The Wyoming Department of Health Immunization Unit serves as a resource to Wyoming immunization providers for vaccine education and clinical guidance, vaccine storage and handling, immunization coverage rates, and more.

We support Wyoming patients by providing information on vaccine safety and recommendations, provider locations, and the Public Vaccine Programs.

By supporting providers, patients, and partners, we are able to work towards our goal of Bringing Immunity to Every Community!

## Volunteer Vaccinator Program

## Thank you for your interest in becoming a Volunteer Vaccinator!

As a Volunteer Vaccinator, you play an integral role by supporting your local Public Health Nurses in their efforts to *Bring Immunity to Every Community*.

To qualify as a Volunteer Vaccinator on behalf of any PHN Office, these trainings must be completed. →

### • CDC Immunization: You Call the Shots

*You Call the Shots* is an interactive, web-based immunization training course. It consists of a series of modules that discuss vaccine-preventable diseases and explain the latest recommendations for vaccine use. Each module provides learning opportunities, self-test practice questions, reference and resource materials, and an extensive glossary. *CE Credits can be earned for completing.*

### • Vaccines for Children/Wyoming Vaccinates Important People (VFC/WyVIP) Program Overview Module

Provided by the Immunization Unit's Vaccine Coordinator Training Program.

### • The Basics of Immunization Practices Module

Provided by the Immunization Unit's Vaccine Coordinator Training Program.

Full completion of all three trainings, including obtaining any and all certificates, is ***mandatory*** prior to participating in any vaccination clinics.

Send copies of certificates of completion to [wdh.immrecords@wyo.gov](mailto:wdh.immrecords@wyo.gov) and direct any questions to Crystal Cox, School & Child Care Coordinator at [crystal.cox@wyo.gov](mailto:crystal.cox@wyo.gov) or (307) 777-7481.
